

Bosley- third from the left

Dear Family,

Hi everyone! I just wanted to give you an update from Guide Dog College.

I know, I know...you are wondering when I will go into class. As my trainers tell me, be patient! Class is coming up soon and I may be a candidate for one of the students coming to GDA. In the meantime, I continue to work hard and play even harder.

How do you like the picture? Pretty cool, huh? We were on our best behavior until we got the go ahead to jump off. What fun!

Hope you are all doing well!

Paws to you,

Bosley
