

Dear Family,

*It's me again from Guide Dog College. Just wanted to send a quick update on how I am doing. Wow, I've learned so much! I know how to stop at curbs, make right and left turns, and how to cross the street safely. I keep my instructor safe from obstacles on the sidewalk. I've been doing so well that my instructor wore a blindfold and worked me around town. It was so fun! Soon, we are going to learn about traffic. I've, also, heard that we will be traveling where there are no sidewalks. Crazy, but it all sounds so exciting. It's not all hard work though. I get to play with my friends and chew on my favorite bones. The kennel staff here is great! They give us special treats, do puzzles with us, and come and cuddle with us in our runs when we are not out training. Miss you so much, but still having a great time.*
