

Dear Family,

It is me again from Guide Dog College. I am learning so many new things. I get to travel all around Burbank with my trainer and boy do they make it fun. I am learning to keep my instructor safe from obstacles on the sidewalk. Although, I am making sure to take plenty of catnaps throughout the day to be ready to work when we go out. It is not all hard work though. I get to play with my friends and chew on my favorite bones. The kennel staff here is great, they give us special treats, do puzzles with us, and come and cuddle with us in our runs when we aren't out training.

I hope you are doing well!

Wags & licks,

Venus
